RE: New staff member

After a national search that surfaced many qualified candidates, I am pleased to announce the appointment of Dr. Carol Anderson as the Commission's new Associate Director, effective January 9, 2012. Carol was most recently Vice President for Academic Affairs at New England College of Business and Finance in Boston, MA and before that worked at Career Education Corporation as Director of Education and then Director of Compliance. Carol has also worked as a certified trainer/consultant for the Commonwealth of Massachusetts and, for a decade, was a senior visiting lecturer at Bridgewater State College (now University). She has served as an evaluator for NEASC and has overseen the preparation of self-studies and other institutional reports. Carol's principal responsibilities will be to oversee the self-study process and to oversee the Commission's procedure for considering public comments and complaints. Carol has baccalaureate and master's degrees in psychology from Bridgewater State, an Ed.D. in Adult Education from Nova Southeastern University, and a Doctor of Law and Policy from Northeastern University.
